EMD Turbocharger Screen Lifter for 645 and 710 Engines (Requires Proper Adapter)

The T57330 Turbocharger Screen Lifter is used for both 710 and 645 Turbo screens. The lifter body is universal and is attached to the proper screen adapter for lifting. The adapters have two locating dowels that fit into the outer ring and a pair of captive locking pins that are depressed for installation and released into the mating holes on the mounting flange. The lifting body's severe angle clears lifting interference during the installation/removal.
